

Pie Master Pie & Food Warmers

Stylishly designed, attractive and functional Pie Masters display food at the desired serving temperature. With a variety of sizes and options available, they set the standard for display of pies, sausage rolls and other pastry based hot foods.

Three sizes are available with capacity for 25, 50 or 100 pies. They all feature a modern, brushed stainless steel body with adjustable feet.

Racks can be installed horizontally or at an angle to enable contents to be displayed in the most appealing way.

"L" models feature an internal light to illuminate food as well as a steam pan seated in a baffle tray to produce a delicate steam to keep food moist.

"S" models have stainless steel doors and a stainless steel back panel.

Black Pie Master Pie & Food Warmers

This great new range all feature a modern, black powder coated body and adjustable feet. The cleverly designed display racks can also be installed either horizontally or at an angle enabling the contents to be displayed in the most appealing way.

For enhanced functionality, the PMB25L, PMB50L and PMB100L models also feature a baffle tray in the base along with a centrally positioned steam pan that produces a delicate steam to keep food moist. An internal light in the ceiling of the machines produces a warm coloured light, further enhancing the appeal and presentation of the food.

FEATURES

- Stylish black powder coated finish on stainless steel construction
- Variety of sizes up to - 25, 50 and 100 pie capacity
- Display racks in each unit can be positioned horizontally or at an angle enabling the best display of contents
- Sliding glass door variations (50 & 100 pie capacity models). Hinged glass door (25 pie capacity models)
- Internal light to illuminate contents, globe is easy to replace
- Baffle tray with steam (1/9 gastronorm) pan in the base of the unit to provide moisture to contents
- Stop rail on each shelf so food does not touch the glass
- Adjustable feet
- Easily removable crumb tray
