TRY-ON BOX METHOD

- Unicut dispatches a set of uniforms in the package of your choice with a range of sizes to your school.
- The teacher tries them on the student and records the sizes on a supplied form.
- This form is emailed back to us and we pack individually for each student.
- For students that are required to pay Unicut, orders will be placed through our website and uniform packages will be dispatched directly to their home.
- Where schools are paying Unicut, a bulk order will be sent once student names and sizes have been confirmed by the teacher.
