TRY-ON BOX METHOD

- Unicut dispatches a set of uniforms in the package of your choice with a range of sizes to your school.
- The teacher tries them on the student and records the sizes on a supplied form.
- This form is emailed back to us and we pack individually for each student.
- For students paying Unicut directly: Orders must be placed through the Unicut website. Uniform packages will be held until a designated cut-off date and then shipped in bulk to the school. Orders placed after the cut-off date will incur a freight charge and will be delivered to address specified at checkout.
- Where schools are paying Unicut, a bulk order will be sent once student names and sizes have been confirmed by the teacher.

More information here:
